# PUBLIC SPEAKING ONLINE COURSE SUMMER 2021

California Educational Centers (CEC)

## WHY PUBLIC SPEAKING?

- Students will **gain confidence** and be able to share their ideas, pursue new opportunities, and make their voice heard.
- Students will develop the **highest paid skill in the world**...Public Speaking! This will benefit them in student leadership, college admissions, and even future careers.
- Students will learn how to **effectively communicate, participate and present** in online and in-person classes.
- Our Public Speaking course provides a **safe, convenient** online experience for students to remain productive and engaged throughout the summer!
